Use of borough property is a privilege that comes with certain responsibilities. You must treat the property with respect so that others may enjoy its splendor in the future. The conditions of use for the facility are:

* You are required to return the property back to the condition that it was prior to your usage. This includes, but is not limited to, clean-up of the grounds surrounding the facility and replacement of any decorations that were present prior to your use.*

In order to preserve these facilities, the borough must expend time and energy on maintenance. The fee that you paid will be placed in a separate account., which will be used to maintain the gazebo.

*** Did you remember to include your mandatory donation? *****
