DISCUSSION ITEMS

-Stormwater fee

The board discussed the timeline of implementing a fee as well as some of the unique scenarios in which complications may arise when billing the fee.

-Property questionnaire

The board discussed the logistics of utilizing a property questionnaire to gauge stormwater management in the community and what results they expect. They felt that it was important to try, and that any responses would be useful.

-Lower PPG pump yard updates

Robert Klezek, Ford City Borough Public Works Director, advised the board that there had not been much of a change to state of the lower yard PPG pump station, but that it was still a top priority. The board also discussed the cost of the pumps as well as the timeline for acquiring a new pump.
